Problem: The LinkedIn Posting Cycle of Doom

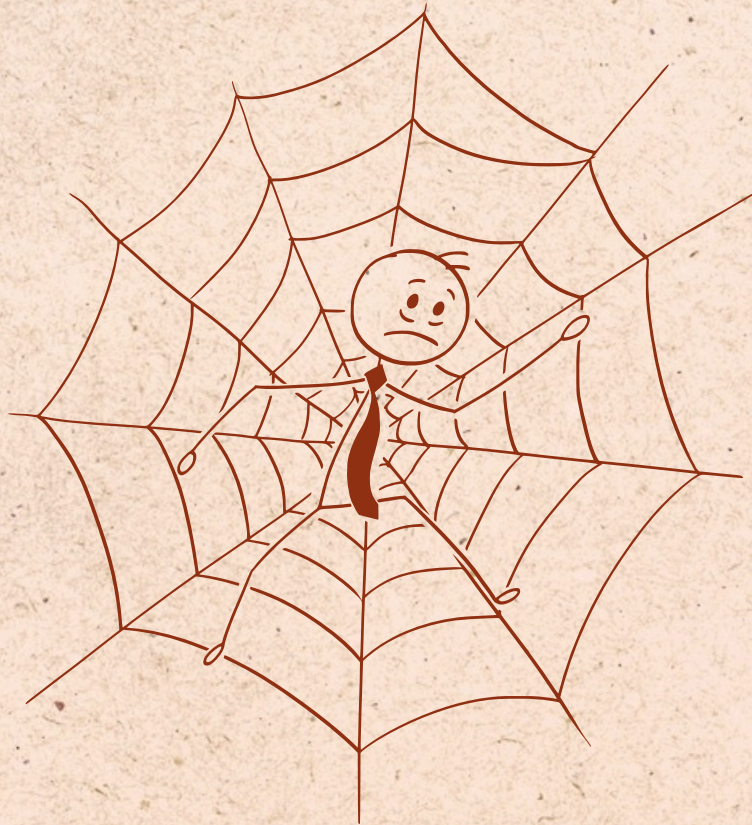

Hours wasted overthinking.

Stress from inconsistency.

Missed growth opportunities.

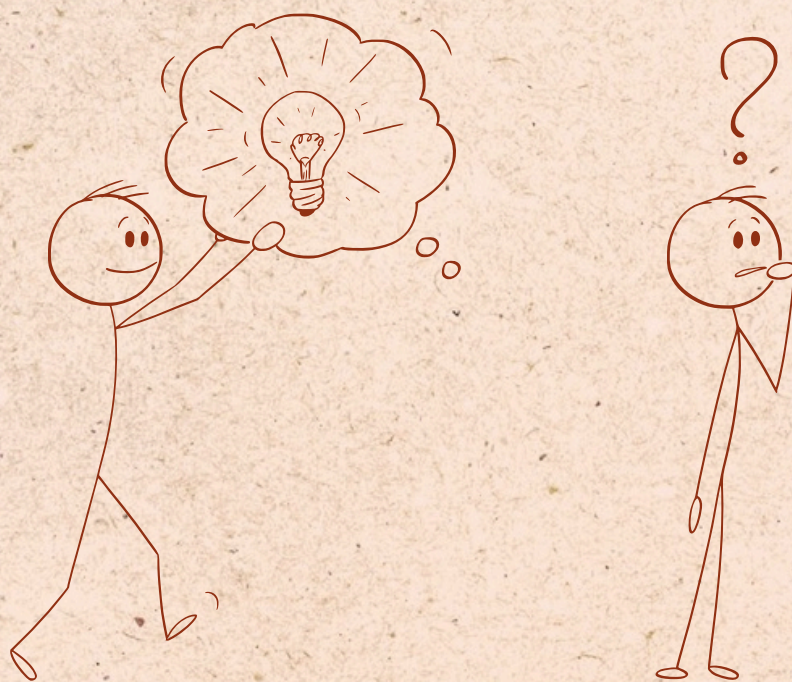

Time to **break** the cycle.

Solution: 5 Steps to Never Run Out of Ideas

1. Map Your Funnel (TOFU/MOFU/BOFU)
2. Steal Pre-Validated Trends
3. Align Ideas with Goals
4. Pick Viral Formats
5. Build a Content Bank

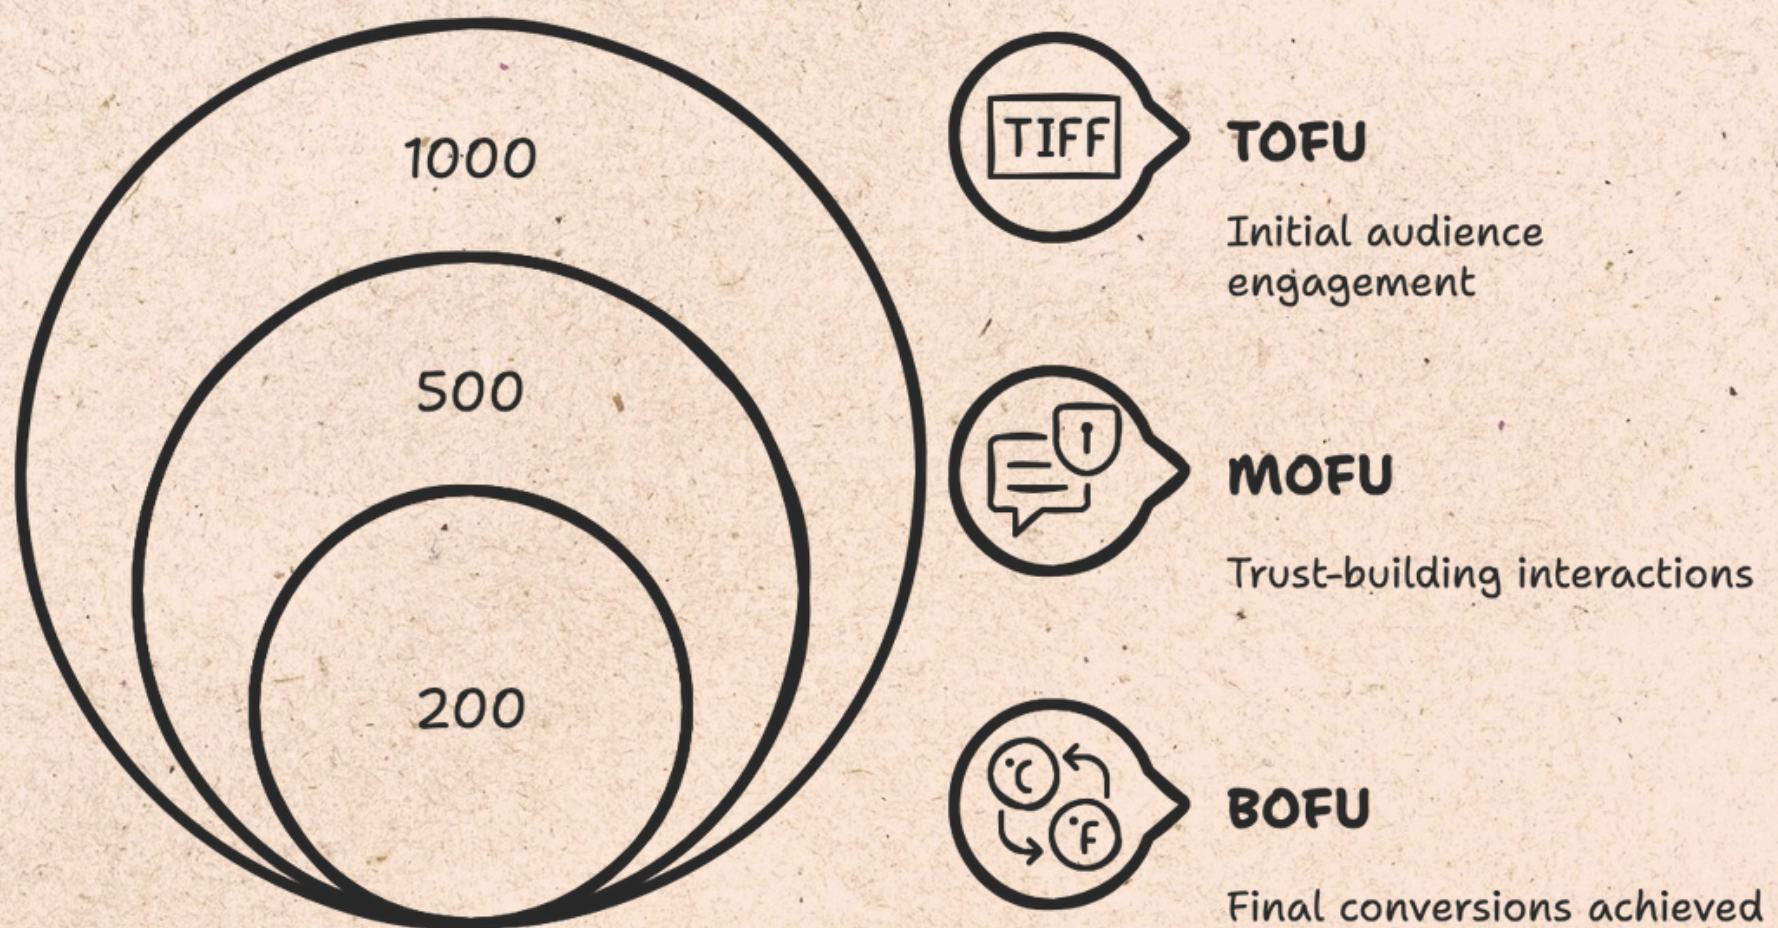

(Spoiler: AI tools make this 10X easier👉)

Step 1: Funnel

Understand Your Funnel

Audience Engagement Funnel

Depost AI Tip: Use the Draft Feature to categorize ideas by funnel stage!

Step 2 : Pre-Validated Content

Borrow What's Already Working

- **Follow** top creators in your niche.
- Use **Depost AI's** Bookmark Tool to save viral posts.
- **Add your spin:** "How I improved [Trend] with [Your Experience]."

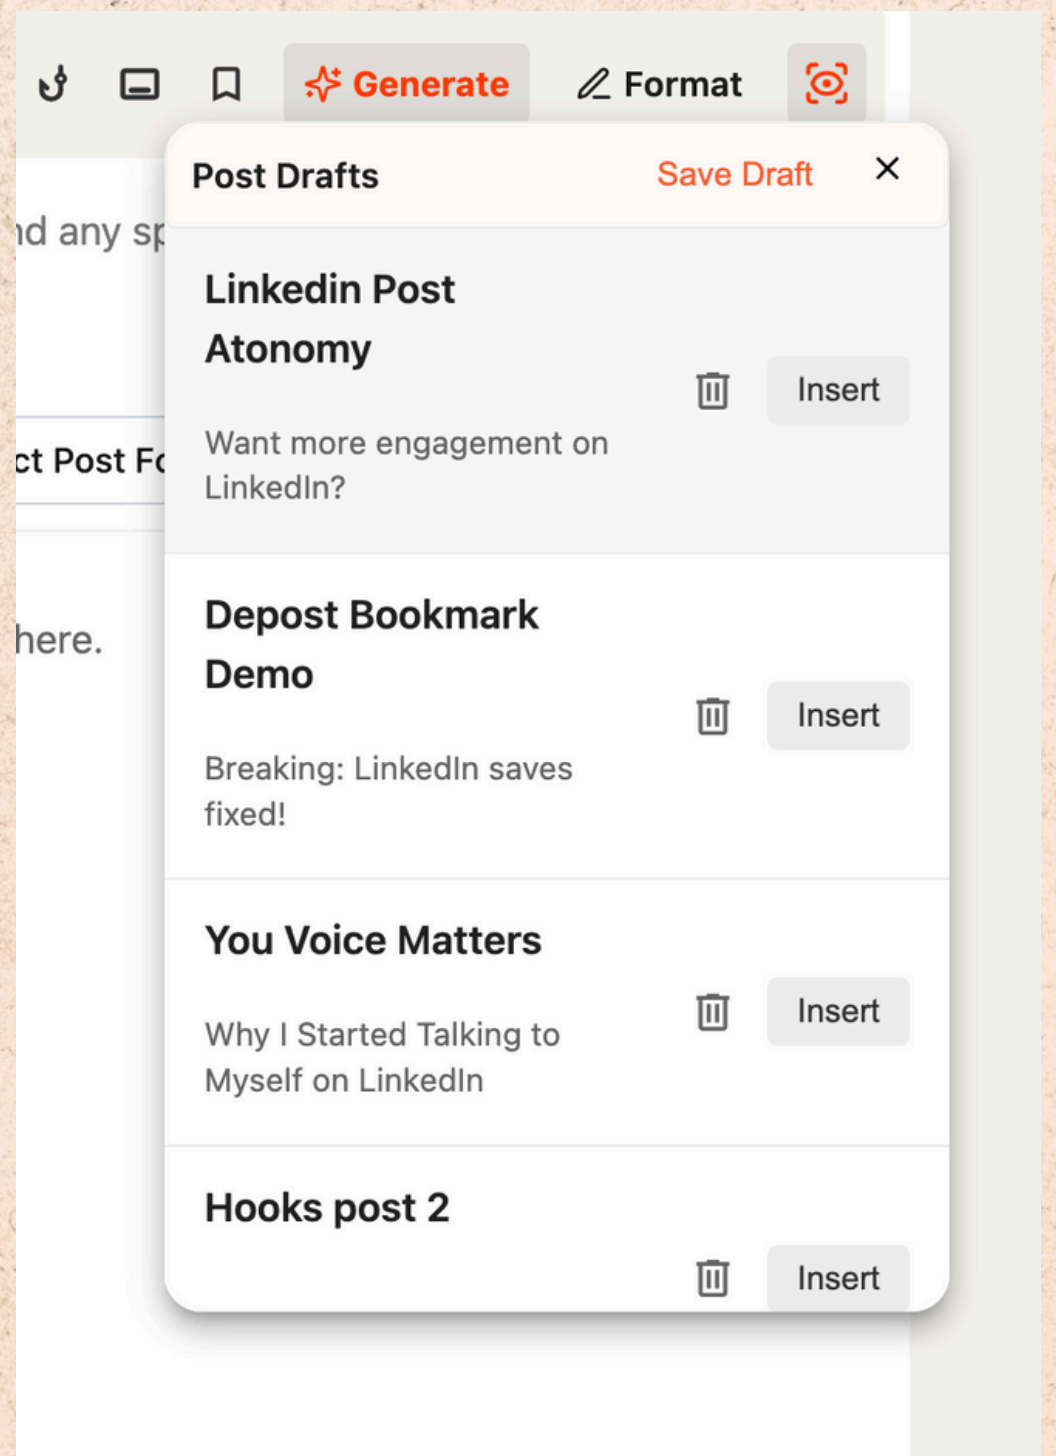

Pro Tip: Use tools like *Depost AI* to manage your content 📌

Step 3 : Align with Goals

Filter Ideas with 5 Questions:

- A) Aligns with my brand?
- B) Do I have expertise here?
- C) Can I improve this?
- D) What extra value can I add?
- E) Can I make it unique?

Depost AI Hack: Auto-generate idea variations with the Draft Feature.

Step 4: Format

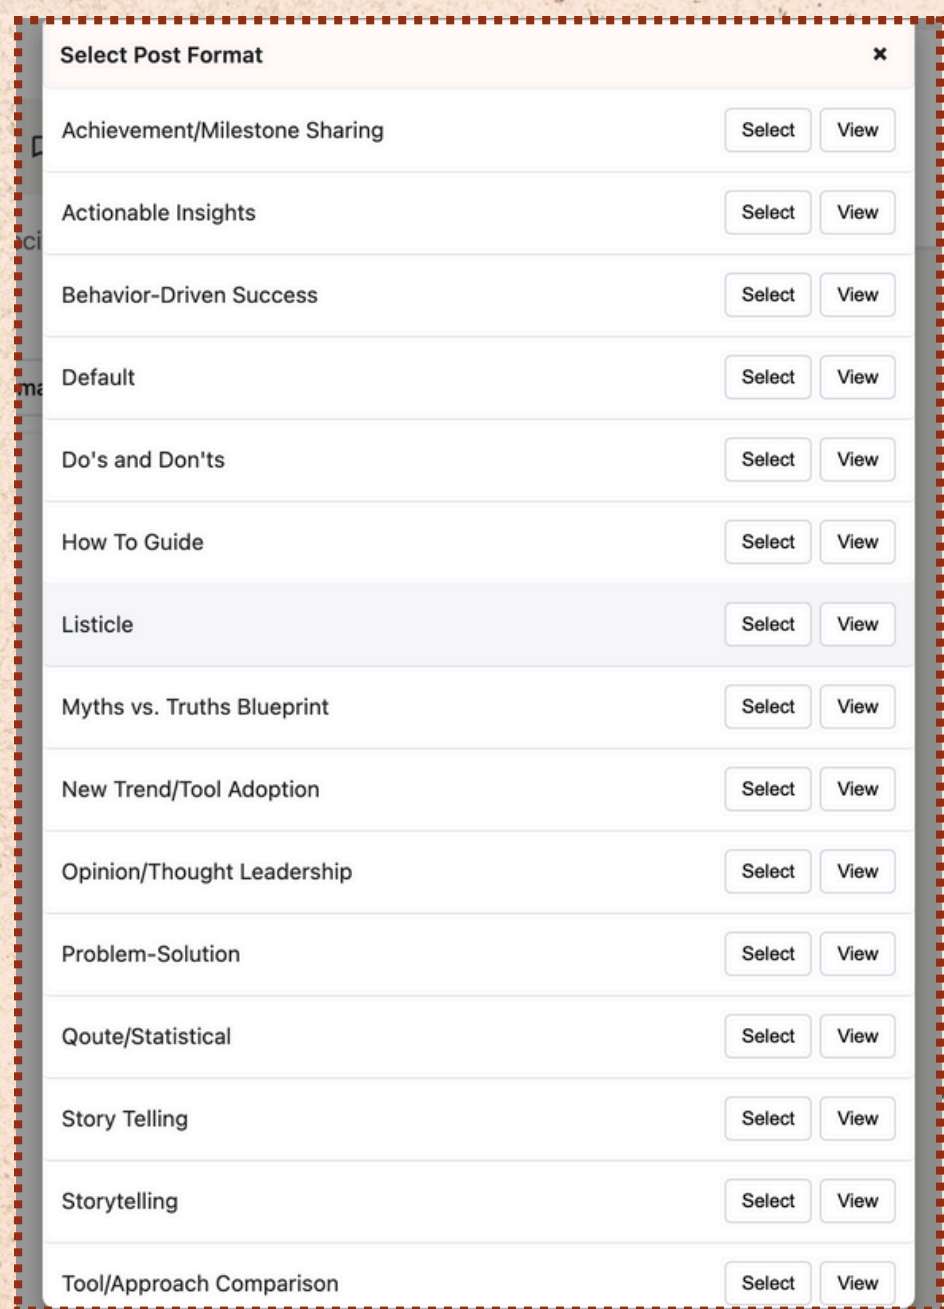

Choose the Right Format

📢 Viral Quotes: Light + actionable (TOFU).

🎢 Carousels: Deep dives (MOFU/BOFU).

📊 Infographics: Stand out (Repurpose old carousels!).

🎥 Videos: Max reach (but low conversion).
